

ARCHITECTURE IS ART FESTIVAL 2015

Zuni Icosahedron Social Theatre

“East Wing West Wing 12 Let It Be One Country Two Systems”

What is one country two systems ?
Did CY get re-elected ? Or is he finished already ?
A whole lot of them are lining up to be the Chief Executive
Will it be Antony, John or Carrie
Land issue, elderly issues, Let it be
Will property prices fall ? Overspending out of control...
Can we take a trip to Japan anytime we want ?
When can I buy a flat ? Let me max out my credit card
Who are the seven cops, let it be ?
Chinese dream to 108 degrees
One Belt and One Road, no leather belt
District Election is one big mess
Elected as Legislative Councillor at last
Holiday to Japan, Korea and Thailand
Angelababy got married faster than the High Speed Rail
404 not found ? Fucking exactly
Who knows who the hell is Anthony Fong ! Let it be !
Singing, dancing and yelling !

Highlights of District Council Elections Celebrations of the 18th Anniversary of the Handover

The classic of classics: “The Sound of Politics”, politics with sounds and fury, signifying nothing

Big big fun: “Funny 18 Districts Minor Works Competition”

Human flesh search engine: A man with a course voice interpreting, “To be or not to let it be from Hong Kong No Land”

Bullshitting: “Ring from The Wheel of Fortune of Hong Kong and China” - they are star-crossed

Beware: “My Yip Lau Airport”

Golden: Un-Invisible...

Structure: Why can't a zither get onboard the MTR ?
